

Grand Rapids Christian High Friday Humor

You may not know that many non-living things have a gender.

For example:

- 1) **Ziploc Bags** -- They are Male, because they hold everything in, but you can see right through them.
- 2) **Copiers** -- They are Female, because once turned off, it takes a while to warm them up again. It's an effective reproductive device if the right buttons are pushed, but can wreak havoc if the wrong buttons are pushed.
- 3) **Tire** -- Male, because it goes bald and it's often over-inflated.
- 4) **Hot Air Balloon** -- Male, because, to get it to go anywhere, you have to light a fire under it and, of course, there's the hot air component.
- 5) **Sponges** -- Female, because they're soft, squeezable and retain water.
- 6) **Web Page** -- Female, because it's always getting hit on.
- 7) **Subway** -- Male, because it uses the same old lines to pick people up.
- 8) **Hourglass** -- Female, because over time, the weight can shift to the bottom.
- 9) **Hammer** -- Male, because it hasn't changed much over the last 5,000 years, but it's handy to have around.
- 10) **Remote Control** -- Female. Ha! You thought it'd be Male. But consider this -- it gives a man pleasure, he'd be lost without it, and while he doesn't always know the right buttons to push, he keeps trying.
