Paint Stores Group

# Introducing The NCR PC486/MC.

Every successful team  
needs a lead player.  
Whether the arena  
is basketball or business.

The lead player in today's  
PC market is the new NCR PC486/MC, the  
personal computer designed for the power user.

The NCR PC486/MC sets a new standard  
in speed, performance, and productivity—  
combining a 25MHz Intel486™ microprocessor,  
Micro Channel™ Architecture, 128KB of high-  
speed cache memory (twice what you find on  
competitive models), a Small Computer System  
Interface (SCSI) controller, and SuperVGA  
graphics are standard.

This is a true multi-tasking personal computer.  
Ideal for large spreadsheets, extensive database  
management, financial modeling, artificial  
intelligence, networking, and more.

Importantly—you also have the choice of MS  
DOS®, OS/2™, and UNIX® operating systems.

Like all NCR personal computers, the  
PC486/MC is a team player, networking

information, applications, and resources  
quickly and efficiently. So people can  
make better decisions and work together  
more productively as a team.

Supporting the superstar PC486/MC  
are the entry-level PC286 desktop and the ever-  
powerful PC386. Between them in our lineup  
are the PC386sx and the PC386sx/MC, two  
Intel386™SX-based personal computers that  
deliver significantly improved price/performance  
capabilities over Intel286™-based PCs.

NCR teamwork goes beyond hardware and  
software, providing dedicated service and support  
for a solutions approach always open to individual  
needs. Because that's the name of the game.

For a free literature packet on this new team  
of personal computers and the location of the  
Authorized NCR Reseller or sales representative  
nearest you, call **1 800 544-3333**. Or write to us at  
P.O. Box 2989, Norcross, Georgia 30091.
